

Alan I. Leshner
Chief Executive Officer and
Executive Publisher, *Science*

October 14, 2005

Dr. Peter Hänggi
Department of Physics
University of Augsburg
Universitätsstrasse 1
86135 Augsburg, Germany

Dear Dr. Hänggi:

On behalf of the AAAS Council, I am pleased to inform you of your election to the rank of AAAS Fellow.

Each year the Council elects members whose "efforts on behalf of the advancement of science or its applications are scientifically or socially distinguished." The honor of being elected a Fellow of AAAS began in 1874 and is acknowledged with a certificate and rosette.

You are being honored for distinguished contributions to the fields of reaction rate theory and stochastic resonance and for discoveries of coherent destruction of tunneling and Brownian motors.

Your certificate and rosette will be presented to you in St. Louis on Saturday, February 18, 2006, during the AAAS Fellows Forum, a part of the Association's Annual Meeting. The Forum will be held in the Landmark Ballroom of the Renaissance Grand St. Louis from 8:00 a.m. to 10:00 a.m. A formal invitation to the Forum will be sent to you by late December. If you are unable to join us in St. Louis, your certificate and rosette will be mailed to you after the meeting.

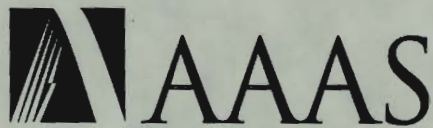

Congratulations on this well-deserved recognition of your accomplishments.

Sincerely,

Alan I. Leshner
