March 2, 1998

Prof. P. Hanggi
Dept. of Physics, Theory I
Univ. of Augsburg
Memmingenstr. 6
D-86135 Augsburg
Germany

Dear Prof. Hanggi,

I am very pleased to inform you that you have been awarded a Michael Visiting Professorship in the Department of Chemical Physics of the Weizmann Institute of Science.

The fellowship is for the period of 2 1/2 months, from March to May 1999.

The fellowship includes the following emoluments:

1. Financial remuneration for 2 1/2 months at the level of a Visiting Professor at the time of your visit (which currently stands at about \$2,000 per month, payable in shekels but subject to change according to changes in the salary of visiting scientists). The salary is taxable; at present, the rate approximately 8%.
2. Round-trip air fare for you and your spouse. You are entitled to travel fare at the cheapest fare available on a direct regular flight. We can reimburse you in Israel or deposit the reimbursement into your bank account, as you choose. Please note that, due to regulations, we would need a photocopy of your tickets to arrange for the reimbursement.
3. Rent-free housing (not including utilities).

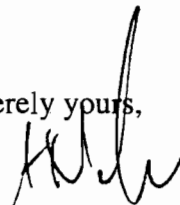

To arrange housing for you, it is necessary that we know your date of arrival and the duration of your stay as soon as possible. We also need to know how many people in your family will accompany you. As the availability of housing is limited, it is important that we receive this information at your earliest convenience.

As for your scientific requirements, please stay in touch with Professor Ron Naaman, Head of the Department of Chemical Physics. If you have requests or problems in relation to housing or anything else, please contact Mrs. Edna Agmon, the head of our Department of Visiting Scientists.

Please note that under the regulations of the Michael Professorship, you are requested to use the title "Michael Visiting Professor" on any article or publication resulting from research activities under the auspices of the Michael Professorship. On termination of your fellowship, you will be asked to submit a short report on your activities during your stay in Rehovot. We would also like to have a copy of your publications in which the title "Michael Visiting Professor" appears.

I take this opportunity to extend my best wishes to you for a pleasant and fruitful stay in Rehovot.

Sincerely yours,

Dr. Arie Nissenbaum
Academic Secretary
